Dear Sir, 11/27/95

Carroll & Graf has forwarded your card of 10/31.

You are correct in believing that I find no motive for Israel's killing JFK.

You may draw on sources denied me, so I'll appreciate whatever you can send me relating to your belief that Israel did kill JFK. Sincerely, Harold Weisberg

Dear Mr. Weisberg, 10/31/95

Unable to afford both Never Again and Eban's Autobio., I ordered his and requested the library system purchase Yours. What I expect to find is that neither of You will mention Israel's Motives for Killing Kennedy — thus strengthening my theory that she did.

Yours for the ending of Dark Age II before history's bloodiest, lyingest Century finally closes, Joe Markham Copy to FBI.
